**Important Messages**

Hampton Shaler Water Authority offers various payment options in addition to the traditional check, cash, or money order. One option is automatic withdrawal billing, the application is provided on the back of this bill. With the service, you may also choose to have your bill sent via email in lieu of regular postal service. Once enrolled in this service, it is not necessary to register each year, as you will remain in the program unless you notify us otherwise. Another option via our website is credit card payments or electronic check payments. Please visit our website at [hswa-pa.org](http://hswa-pa.org) for more details.
