WHEREAS, the Board of the Hampton Shaler Water Authority desires to establish fees consistent with the Fee Structure approved by the Pennsylvania Office of Open Records.

NOW, THEREFORE, BE IT RESOLVED, and it is hereby resolved by the Board of the Hampton Shaler Water Authority that the following fees are hereby adopted pursuant to the Right-to-Know Law and consistent with the Fee Structure approved by the Office of Open Records as follows:

1. For a "photocopy" consisting of either a single-sided copy or one side of a double-sided black-and-white copy of a standard 8.5" x 11" page, .25¢ per page.
2. For Certification of Records, a \$5 per record fee to certify a public record plus notarization fees.

6. Postage Fees for the actual cost of mailing.
7. If a separate statute authorizes the Authority to charge a set amount for a certain type of record, the Authority will charge the statutory amount.
8. Although no redaction fee will be charged, if a requester wishes to inspect rather than receive a copy of a record and the record contains both public and non-public information, the Authority shall redact the non-public information and will charge for the copies it must make of the redacted material in order for the requester to view the public record. The fee structure outlined above will apply. If, after inspecting the records, the requester chooses to obtain the copies, no additional fee will be charged.

9. Prior to granting a request for access in accordance with this Act, the Authority may require a requester to prepay an estimate of the fees authorized under this section if the fees required to fulfill the request are expected to exceed \$100.

10. The requester must submit payment of the cost for the records prior to the records being released by the Authority.
